

FOR IMMEDIATE RELEASE

St. Petersburg. June 6, 2009

The Golden Psyche 2009 Award was presented to our joint international project, Causometry Study of Psychological Time and the Human Life Path: Past, Present and Future. This project has been chosen as **The Best Project of 2008 in Psychological Science**.

This project includes The International 2008 Causometry Conference along with four books: Psychological Time, Causometry Methods, Causometry in Research, and Travel Time.
